

Spanish Online Exam Descriptions

Two types of Spanish placement tests are available for the academic year. *Please note, each exam can only be taken once.* The first test (**Test A**), designed for students learning Spanish as a second language or who are heritage speakers with limited communication experience.

The second test (**Test B**) is designed for heritage speakers who have active communication ability in Spanish.

Each multiple choice exam Requires the use of a Respondus LockDown Browser and a webcam. Exams cannot be completed without these items.

Description for Test A for Spanish placement:

Spanish Placement Test A (Part 1): Listening Comprehension (30 minutes recommended) The Listening portion of the placement test is designed to measure your ability to understand spoken Spanish.

Spanish Placement Test (Part 2): Grammar and Reading Comprehension (60 minutes recommended) This is a test of grammar and reading comprehension. There is only one correct answer for each question. There is no penalty for guessing. You have a **TOTAL 90 minutes** to complete the exam in its entirety.

Description for Test B for Spanish placement:

You have **60 minutes** to complete the Spanish B multiple choice placement exam. You should take this exam only if you are a Heritage Speaker. Results for this exam will place you accordingly in classes designed for Heritage Speakers. Take this exam only if the following describes you;

- You grew up speaking Spanish at home and in your community since childhood;
- You use Spanish in your Spanish classes at school and/or with family members or individuals who cannot speak English;

- You have parents or caregivers who speak Spanish and you converse with them in Spanish;
- You understand Spanish very well and you can have a conversation, to some extent, entirely in Spanish. You can also read and write in Spanish to a certain extent.
