Option 1: Completing Math 1B with a grade of C or higher

A grade of C or better in Mathematics 1B will allow you to enroll in Mathematics 2A or 5A.

Students are encouraged to read carefully all of the information on this webpage to help them decide the best Math course, either Math 1A or Math 1B.

Option 2: By taking the ALEKS Placement exam and scoring 80% or higher.

1. Purchase access to the ALEKS PPL Module

You must purchase access online for $20 and set up your account before you can take the te

You must purchase and access the ALEKS Calculus module through this link.

Please note that access codes may only be purchased once and the results of your second attempt is final. You cannot repurchase access to receive additional attempts.

A score of **80% or better** on either attempt will place you into Mathematics 2A or Math 5A. If you do not score 80% or better on both attempts, then you must complete Math 1B with a grade of C or higher.

2. Set up an appointment to have the exam proctored.

This exam MUST be taken in the presence of a valid proctor, who will provide you the password to access the exam.

The two options for proctoring this exam are:

Proctoring Option 1: Sign up to take the placement exam(s) via our online proctoring service, **ProctorU**, for an additional fee of $19.

This option requires you to have a computer, a webcam, and a valid photo ID at the time of your exam. Schedule your exam with ProctorU at least 3 days in advance to avoid late fees!

2. Sign in with your UCINetID and accept the User Agreement to pair your account.
